Marechale Capital plc

(“Marechale” or the "Company")

Result of General Meeting
Company Presentation
Director Dealing

Marechale Capital plc, an established City of London based corporate finance advisory business, developing into a fully integrated digital merchant bank providing corporate finance, capital markets and asset management services underpinned by a technology solutions and distribution platform, announces that at its General Meeting held earlier today, all resolutions were duly passed.

As such, the shareholder authorities in respect of the Proposed Acquisitions and the Conditional Subscription have now been granted and the effective date of the Proposed Acquisitions and the Conditional Subscription is expected to be 24 June 2026. Further details with respect to the expected timetable of events are set out at the end of this announcement.

Alongside Marechale, the enlarged group will comprise Stanford Capital Partners (“**Stanford**”), a UK SME-focused corporate finance and broking firm, Blubird Global, Inc (“**Blubird**”), an institutional-grade, multi-chain, global asset tokenisation platform, and NJC Capital Management VSA Private Fund Limited (“**NJC Fund**”) and NJC Capital Management Limited (“**NJC Manco**”), a systematic alternative investment fund and its manager, respectively (together, “**NJC Capital**”) (the “**Group**”).

The Company will pursue its strategy to expand its offering from traditional boutique corporate finance and taking stakes in the companies it advises, into a broader, tech-enabled platform comprising corporate finance, capital markets, tokenisation and asset management across both traditional and digital asset markets.

Company Presentation

The Company has prepared an updated presentation on the Group and following the completion of the General Meeting and upon completion of the Proposed Acquisitions and Conditional Subscription, the presentation will be made available on the Company’s website.

Director Dealing

As announced on 3 June 2026, Mark Warde-Norbury, Executive Chairman of the Company, participated in the Subscription, subscribing for 571,429 new ordinary shares in the Company at the Issue Price, representing in aggregate £10,000, set out as follows:

Director	Number of Ordinary Shares Subscribed for	Subscription Price (p)	Shareholding Following Subscription	Shareholding Following Subscription as a Percentage of Enlarged Issued Share Capital (%)
Mark Warde-Norbury	571,429	1.75p	13,853,431	5.38%

Further details are set out in the Notification of Dealing Form below.

Admission and Total Voting Rights

Application has been made to the London Stock Exchange for the 137,846,002 New Ordinary Shares to be admitted to trading on AIM ("**Admission**"), which is expected to take place on, or around, 24 June 2026. The New Ordinary Shares will rank *pari passu* with the existing ordinary shares.

Following Admission, the Company's enlarged share capital will comprise 257,287,255 ordinary shares of £0.008 each. No shares are held in treasury. Therefore, the total number of ordinary shares with voting rights will be 257,287,255. This figure may be used by shareholders as the denominator for calculations by which they will determine if they are required to notify their interest in, or a change of their interest in, the Company under the Financial Conduct Authority's Disclosure Guidance and Transparency Rules.

Patrick Booth-Clibborn, Chief Executive Officer of Marechale Capital:

"We are delighted to have received such strong support from both new and existing shareholders for this transformational transaction, which marks a significant milestone in the ongoing development of Marechale.

"We are excited to move forward alongside the teams at Stanford, Blubird and NJC Capital within the Group as we seek to fully leverage our market position as a full-service digital merchant bank.

"The Group is already benefiting from a number of cross referrals and new business opportunities as we focus on further developing and expanding the business."
